Dear Mr. Evers:

This letter acknowledges the receipt of, and is in response to, your Freedom of Information Act request submitted to the U.S. Department of the Treasury (Treasury), dated January 25, 2019. You seek the following records:

- "1. Records sufficient to show any payments made by former FEMA Administrator Brock Long to the federal government.*
 - 2. Any bills, invoices, or other accounting reflecting any amounts owed by former FEMA Administrator Brock Long to Treasury, or any other federal agency or component.*
 - 3. All records related to former FEMA Administrator Brock Long's commitment to repay the federal government for unauthorized use of FEMA resources, including records reflecting repayment plans, repayment schedules, or acknowledgement of debt, whether formal or informal.*
- Please provide all responsive records from September 1, 2017, through the date of the search."*

Upon review of your request, it has been determined that a search for records within the Departmental Offices at Treasury would not be expected to locate or identify the records you have requested. I have consulted with the Bureau of the Fiscal Service and it has been determined that the records you have requested, should they exist, would be maintained by the United States Department of Homeland Security (DHS). You may submit your request to DHS at the address below:
